Archaeology&Me

Looking at archaeology in contemporary Europe

"Archaeology&Me" is not only an exhibition to be seen. Rather, it requires the active involvement of visitors, who will be called on to offer their personal response to the questions and stimuli offered by the works on display.

See the exhibition, visit the museum and express your point of view.

Leave your comment on twitter with the hashtag [#archaeoandme](#)

You'll be able to see it on the twitter wall inside the exhibition venue.
